Dear Joan:

Julian has kept me informed about your great work helping the Charter Oak program in Connecticut, and I wanted to add my thanks. We are amazed and very pleased that Charter Oak has grown from fewer than 10 scholarship students in the state to over 60 for this summer.

Your help in adding donors, making your club available for a meeting and helping us shift financial aid to Charter Oak students by supporting American Indian students has contributed greatly to the success of the Connecticut outreach.

I am looking forward to the day when CTY and the Foundation for the American Indian collaborate on a CTY program tailored to Native Americans. We are delighted at the connections you have made for us in Washington and hope to find the funding to make this specialized outreach happen.

Joan, thank you for all you do for CTY and its students!

Sincerely,

Lea Ybarra, Ph.D.
Executive Director
